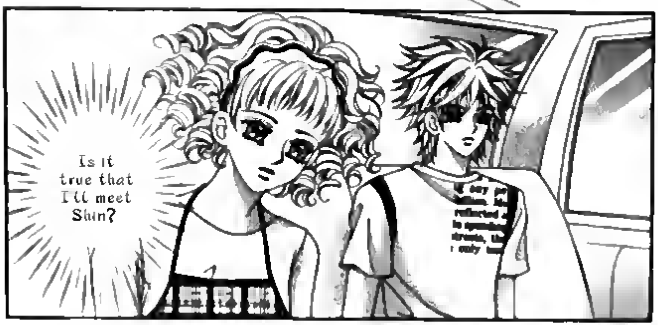
New York Airport



Is it true that I'll meet Shin?

I haven't seen him for months, but it feels like a hundred years have passed...

No matter what the reason is, I won't forgive him

I'll punch him the moment I see his face and break a few teeth.

Go find him-
If you guys are meant to be, you'll be able to find each other in this crowded place.

What I said earlier, you know it wasn't true, right?
About you not being my friend...
I JUST SAID THAT ON AN IMPULSE. YOU'RE MY PRECIOUS FRIEND!
You (drat) I know...
A precious friend...so I'll protect your love.

The faster my heart beats...
Maybe I'll see him in an instant.
Use your heart.
The closer I am to Shin...
